ABOUT THE ORGANISERS

The Kofi Annan Foundation is an independent not-for-profit organization, established in Geneva, Switzerland in 2007 by former UN Secretary-General and Nobel Peace Prize laureate, the late Kofi Annan. Our board is composed of prominent personalities from the public and private sectors around the world. We work to build a fairer and more peaceful world, where no one is left behind, democratic principles and the rule of law are upheld, and divides are bridged through dialogue and international cooperation. To help build peaceful, democratic, and resilient societies, we convene stakeholders around the table, forge coalitions of trusted influence, channel expertise, champion ethical leadership, and amplify Kofi Annan's legacy.

The Centre for Multiparty Democracy, CMD-Kenya is a political parties-based membership organization established in March 2004. The mandate is to enhance multiparty democracy and strengthen the institutional capacity of political parties in Kenya through policy influence and capacity building. The organization provides a platform for political parties, political actors and policy makers to engage in dialogue and cooperate in strengthening multiparty democracy. CMD-Kenya works closely with political parties, political actors, strategic partners and key stakeholders in promoting social justice, political governance best practices, respect for human rights and fundamental freedoms.
